Re: Courtyards at Rolling Hills  
MSP 7-01-05/05-564

Dear Mr. Abramson:

The Courtyards at Rolling Hills site plan was considered by the Site Plan Committee on June 27, 2006, tabled to the July 25, 2006, meeting and tabled again to the September 12, 2006 meeting. The rezoning application, vacation and delegation requests were tabled by the Town Council to October 4, 2006.

Mr. Klemow has continued to work with the neighbors to formulate a revised development plan for the property. However, to allow sufficient time to complete the new development plan and receive input from the neighboring community, the applicant hereby withdraws the current pending applications related to the property. We will be submitting new applications for the property shortly. Considering the experience we have all gained regarding the property, we trust that Town staff will make every effort to expedite the review and processing of the new applications.

Very truly yours,

*Tracy H. Lautenschlager*
